Stone House Inn.

What a pleasant, inviting & classy stay! My husband and I are both a professional painter and artist, respectively. We are traveling through to do a custom paint job on a lodge on a ranch outside of Gunnison. We do have keen eyes for detail and colors and this Inn is exceptional and exquisite! Very tastefully done custom paint job and such a joy to walk into and stay! We also appreciated the yummy cookies left out for us on the coffee table... not on a flimsy paper plate... but on a lovely, unique green plate, neatly covered with plastic wrap. The many thoughtful conveniences here were enjoyed! We are seasoned travelers and do appreciate how your attention to details and our comfort in mind makes this Inn all around the nicest place we've ever stayed! - Pleasure to meet you both Nathan & Zara - God Bless your family.

Loved, loved, loved Stone House Inn — the cookies, access to the porch with swing + garden table... and letting guests leave dirty dishes... oh, my now that's a vacation :). Plus hiking/restaurant advice. The Wilsons,

Such a lovely place to stay, and wish we could have stayed longer! We loved sitting on the front porch swing enjoying tea at night + coffee in the morning, enjoying the cool air + the flowers. Thank you for your warm hospitality!

We could not have asked for a more inviting place to stay! You have yourself one incredible inn and we plan to return here again in the near future! Thank you for the five-star hospitality, cozy rooms, delicious coffee and all the special memories we will take home with us.

Until next time, Brandon + Charlotte

11-7-2020 WE HAD AN AMAZING STAY HERE AT THE STONEHOUSE. READING THROUGH THIS GUEST BOOK, A VERY CONSISTENT THEME APPEARS. GREAT HOSPITALITY, A SENSE OF THE HISTORY OF THE PLACE, & EVERYTHING YOU NEED TO FEEL A SENSE OF WARMTH AND COZINESS AWAY FROM HOME. WE ECHO ALL THOSE THOUGHTS & SO MANY MORE. WITH MUCH APPRECIATION,

What better way to relax and unwind after a long day of traveling and hiking in the National Park than with a Christmas Ale on the front porch swing of the Stone House Inn? And what better way to greet the crisp autumn morning than with a coffee at the same spot? We had a lovely time and will look forward to passing through again! Hello Mr. Magpie, how are your wife and children?

what a beautiful little oasis - the room is so charming and has just what I needed for a relaxing evening. There was a cattle drive this morning, just like the info sheet said! Thanks again - I will definitely recommend.

What a wonderful getaway!!!
It has been such a treat to
stay in your sweet stone
house. It was so comfortable
and homey. It had ~~every~~ every
little detail when needed and
both rooms are absolutely adorable.
The last months have been so
trying for us all with Covid and
coming up here, surrounded by
the beauty of the area,
brought us back to what
really matters. We thank
you for giving us that during
our stay in your beautiful
Stone house. - The Barthel family
